STAGE THIRTY THREE

STAGE THIRTY THREE

LIVE. PLAY. CONNECT. THRIVE.

Stage 33 has the enviable position of being located a block from 2.72 hectares of gorgeous parkland. This release features lots up to 534m² and is positioned on top of a rise showcasing spectacular elevated views of the City of Casey.

Offering 2.72 hectares of green open space in which to exercise, explore and play – there is no doubt this is one huge park! With not one but two open spaces, the second being dedicated to furry family members, with a fenced-off area to let them roam free.

The park also includes basketball courts and fitness equipment to keep active and fit in your new life at Meridian. Plus, sheltered picnic areas and toilet facilities will be perfect for long and easy catch-ups with friends and family.

To top it off the extensive play equipment is set to include an adventure course. So there is no doubt your little ones will be putting in their requests for park visits nice and early on the weekends.

What a great new life to discover at Meridian.
