MERIDIAN TOWNHOMES

Homebuyers Centre are proud to bring you a new selection of brand new double storey rear-loaded townhomes at Meridian, Clyde North.

Each home will be turnkey, including front and rear landscaping, letterbox, clothesline and fencing. Everything you need to turn the key and move in.

The Octave is a mix of modern architectural elements with smart building materials. You'll notice this in the simple and balanced composition, bold black window frames and timeless grey colour palette. It's stunning. And the outside is as beautiful as the inside; its dark painted architectural cladding creates a streetscape people will take notice of.
